Government of India.

Date: 4th December 2014

Venue: Auditorium, Department of Physics, CUSAT

About us

The Department of Physics was established in 1963 as one of the five departments of the erstwhile Ernakulum center of the Kerala University. In 1971, it became part of the University of Cochin, which was later recognized in to full fledged Cochin University of Science & Technology. The goal and objective of the Department is to undertake post graduate teaching and impart research training to students who opt for advanced studies in Physics. The Department of Physics has hitherto continuously maintained a laudable record of post graduate teaching and research in Physics.
